ABOUT THE PAN-IIM WMC 2025

The Pan-IIM World Management Conference is a global forum that brings together researchers, academicians, policymakers, and industry professionals. Organized on a rotational basis by the Indian Institutes of Management (IIMs), it serves as a platform for presenting cutting-edge research in management and allied fields.

Visitor Profile:

- Directors and senior faculty from IIMs and leading B-schools.
- Policymakers, government officials, and think-tank representatives.
- Corporate leaders, industry experts, and startup founders.
- Research scholars and Media representatives.

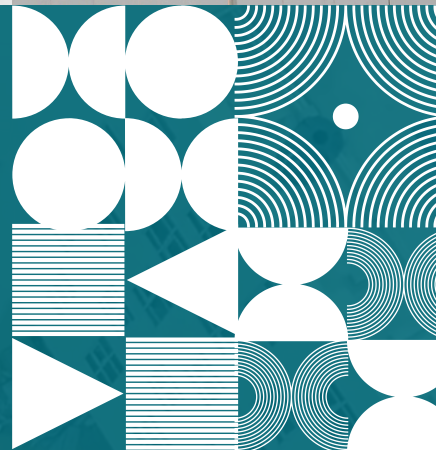

Expected participation stats:

800+ Delegates
50+ Industry Leaders

WHAT IS INNOVISION

- A national-level exhibition showcasing innovations in technology, sustainability, and management
- A platform for startups, corporates, and researchers to present real-world solutions
- A convergence point for ideas, industry, and academia driving the future of business

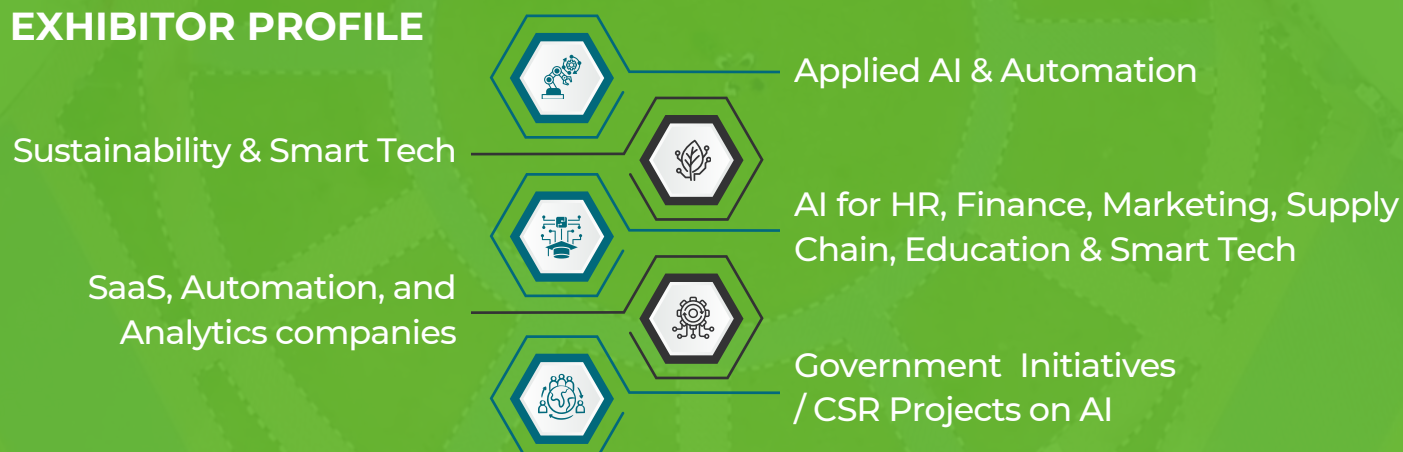

GOAL & EXHIBITOR BENEFITS

Goal: Create a space where innovation meets application - connecting startups, corporates, and academia.

Exhibitors Gain: Direct exposure to 800+ delegates including IIM leaders, corporates, and researchers.

Opportunities: Collaborate, attract talent, gain visibility, and showcase solutions on a national stage.
